RE: Centennial Anniversary

Dear SLA Members:

It has been a great honor to support you over the past 18 years as a vendor partner. 2009 represents a significant chapter as you celebrate 100 years as an organization. This extraordinary feat places you in a prestigious league.

Through your vision and mission as an organization to expand globally, you have reached 75 countries and recruited thousands of members. Cheers to you for a job well done!

Due to embracing innovation as a core value, you have demonstrated your desire to be a leader in your field. Your utilization of technology to not only spread your message but to improve and refine existing practices continues to elevate the SLA organization.

We at AVMG have enjoyed participating in your growth throughout the years. We look forward to our continued partnership as we move towards the next 100 years!

Congratulations on such a crowning achievement!

Sincerely,
AVMG, Inc.
