Kristin,

Congratulations on the Centennial Anniversary of the founding of your organization! It is indeed an accomplishment and milestone to be commended.

To think that it all started when a few librarians decided that the demands of their jobs needed a library service geared to meet the needs of special situations. Due to their efforts and their commitment to continuous learning, SLA and its members now contribute to building resilient organizations and to creating a culture that values knowledge and uses it to build trust in the global marketplace.

Champion Exposition Services as a company is very proud to be an SLA partner and to support SLA for its centennial and for future years as well. Because of this Champion would like to make a \$3,000 donation to help support SLA and their mission to promote and strengthen its members through learning, advocacy, and networking initiatives. (This will be deducted from your 2009 Invoice).

100 years of service is a notable occasion. Congratulations and best wishes for a wonderful anniversary celebration!

Sincerely,

John Szymczak  
Vice President of National Accounts
