Cultivating research expertise:
Library instruction and services for a West African plant breeding program

Sarah Young
Health Science and Policy Librarian
Cornell University Library
SLA 2015, Boston MA
A partnership between the University of Ghana, and Cornell University, College of Agriculture and Life Sciences
In the classroom....

...and in the field
Access to resources
Finding scientific literature
Managing information
Reading and writing scientific articles
Continued library support from afar

WACCI: Research and Library Guide: Welcome!

This guide provides an overview of resources and services available to students in the West African Centre for Crop Improvement program.

Welcome!
Using TEEAL
The AGORA Databases
Other online resources
Agricultural Data and Statistics
Interlibrary Loan
Citation Management (Zotero)

Welcome

Welcome to the West Africa Centre for Crop Improvement (WACCI) Library Guide. As a partner with WACCI, Cornell University’s Mann Library provides research support and services for graduate students enrolled in the WACCI program. In addition to on-site training, we can provide research help, access to resources through Interlibrary Loan, and help with managing information and citations. If you are a current WACCI student, please feel free to contact us for information and research help.
