

SLA Content Task Force Duties

Assess the extent of existing SLA content related to the topic

Content sources include, but are not limited to, the following:

- SLA communities
- SLA websites (sla.org, conference websites, etc.)
- *Information Outlook*
- Online learning programs (SLA Learning Hub)
- Conference sessions
- Conference contributed papers
- Conference posters
- Leadership Summits/Symposia

Assess the extent of non-SLA content related to the topic

Content sources include, but are not limited to, the following:

- Other library associations
- Industry partners
- Governmental entities (e.g., Institute of Museum and Library Services)
- Nonprofit organizations

Evaluate and curate desirable SLA and non-SLA content
